

« Everyday's a Celebration ».

Everybody needs a place
A place to get away
A place to share with family and friends
Somewhere we can imagine
And live a fantasy
Where dreams
Never have to end
And the wonders never cease
Here at Disneyland Paree
Where. ..

Everyday's a celebration
Of wishes coming true
You don't need an invitation
We're always here for you
Days and nights are filled with laughter
There's always something new
In our world of adventure
Enchantment
Excitement
From out of the blue
It's too good to be true
Could it be ?
Come and see
You're always at home
Here at Disneyland Paree

From everywhere
Around the world
People gather at this place
A paradise for everyone to share
As we join together
We can sing and dance all day
Finding hope and cheer
In every warm embrace
There's always so much more to see
Here at Disneyland Paree
Where. ..

Aujourd'hui et comme tous les jours
Y'a d'la joie, du plaisir
Bienvenue, oui tu es toujours
Accueilli d'un sourire
Pour réaliser tes désirs
Tu peux te réjouir
Dans ce monde d'aventures
De magie
Et d'amour
Riche en fantaisies
En délires, en folies
Toi aussi
Pour toujours
Tu trouveras ton bonheur
Ici à Disneyland Paris

And even as you go
You're never really gone
The memories that we make here will go
On and on and on

Everyday's a celebration
Of wishes coming true
You don't need an invitation
We're always here for you
Days and nights are filled with laughter There's always something new
In our world of adventure
Enchantment
Excitement
From out of the blue
It's too good to be true
Could it be ?
Come and see
You're always at home
Here at Disneyland Parea
